Dr. Bruce Alberts, President
National Academy of Sciences
2101 Constitution Avenue, N.W.
Washington, D.C. 20418

Dear Bruce,

In response to your letter of 6 May 1994, I would be glad to accept your offer of an appointment to the Committee on International Security and Arms Control (CISAC) and would also be glad to serve on the CISAC Working Group on Biological Weapons Control.

Under separate cover I have sent you today a letter about an outstanding individual whom you might wish to consider for a position at NAS or NRC.

Sincerely,

Matthew Meselson
