Professor Matthew Meselson  
Professor of Biochemistry  
Harvard University  
Dept. of Biochemistry &  
Molecular Biology  
7 Divinity Avenue  
Cambridge, MA 02138-2092

Dear Matt:

This is just to let you know that the Board of Directors of the Council has voted to invite Lora Lumpe to membership in the Council as a term member. Thanks for endorsing her. Larry Fabian, Alton Frye and Kenneth Keller, the Council's Senior Vice Presidents, Kempton Dunn, our Director of Membership Affairs, and I very much appreciate your interest in strengthening the Council membership.

With best regards,

Sincerely,

*Leslie H. Gelb*
