Dear Matt —

Thanks for the testimony.
Your arguments on riot control agents are well stated and the attached guidelines interesting. Unfortunately, I doubt the course of the CWC can be altered now without opening a door in many other areas.

all is going well. I am deeply involved in a project to buy, clean-up and

develop former Russian military bases in eastern Germany (around Berlin). If I can contract for the land at favorable prices, there are broad possibilities for investors. However, the chances are like drawing to an inside straight.

Hope you have a good summer. Call if you get to DC. Thanks for the testimony . . .

Best regards,
Bill
