Dear Jo,

Enclosed please find the bibliography distributed by Clyde Replogle at the CISAC meeting, along with his vitae. I have designated five items in the bibliography which I would like to review. All of them are classified or at least limited. As we discussed on the phone, I suggest that you try to get them through secure channels so that I, and perhaps other interested CISAC members, could review them under proper safeguards at the Academy.

Sincerely,

A handwritten signature in black ink that reads 'Matt'. The letters are cursive and somewhat stylized, with a long horizontal stroke extending from the top of the 't'.
