Dear Anne:

Here is a printout with 4 citations of publications of which Serdobintsev is a co-author. You will note in Record 5 that the author is listed at the Research Institute of Medicinal Plants, Ministry of Medical Industry of the USSR, Moscow. The letter from Dr. Davis says that Serdobintsev was a laboratory director in the closed military city of Saratov.

I enjoyed talking with you Monday. Please telephone me if you want to discuss the work further.

Sincerely,

Matthew Meselson
