Department of Molecular and Cellular Biology  
7 Divinity Avenue  
Cambridge, MA 02138  
USA

Dear Professor Meselson,

On behalf of President Václav Havel, allow me to respond to your letter of June 8, 1995.

Thank you for your thoughtful and informative letter to President Havel. The President supports prompt ratification of the Chemical Weapons Convention of 1993, and believes that the Czech Republic will be able to deposit it soon.

Sincerely,

A handwritten signature in cursive script, appearing to read 'P. Seifter'.

Pavel Seifter  
Director  
Foreign Policy Department
