Dear Nathan,

I thought your letter in  
today's WST was excellent.  
What a bunch of bandits  
they are.

Enclosed is a tiny token  
of our (Aleman's and mine) gratitude  
for pointing us toward Datcha  
on our Turkish excursion. We  
will think of you at the White  
Round Table eating your morning  
boiled egg, and we hope to  
see you soon.

As ever, Peter & Aleman  
Bristol
