Anne Miller  
P.O. Box 401  
Plainfield, VT 05667

Dear Ms. Miller,

Thank you for your letter of February 6. We have a considerable amount of reference material and if you should happen to be in the area, you could come by and take a look at it. However, we are unable to locate a copy of the Bionetics study you requested.

Yours sincerely,

A handwritten signature in cursive script that reads 'Matthew Meselson' with a stylized flourish at the end.

Matthew Meselson

Thomas Dudley Cabot Professor of the Natural Sciences
