Dear Mr. Matthews:

I hereby would like to offer you a consultancy position as a researcher for the Harvard Sussex Program. The work would be undertaken in England in connection with the maintenance of the Sussex Harvard Information Bank and production of the CHEMICAL WEAPONS CONVENTION BULLETIN. Your consultancy would be effective immediately and would run through to 8 August 1997. We would be able to pay you a total of \$1,500. The payment schedule would be on a monthly basis (\$500 per month for three months).

We would immediately send you the necessary financial forms to be completed and returned for our University files. Then at the end of each month, you would be required to submit an invoice for that month's consultancy work and we would then process it for payment. Additionally, non-US citizens are required to complete and submit an "Alien Payment Information Form" with each request for payment. Harvard will supply you with copies of this form.

I hope you will be able to accept this offer and look forward to your reply.

Sincerely,

A handwritten signature in cursive script that reads 'Matthew Meselson'. The signature is written in dark ink and is positioned above the printed name.

Matthew Meselson  
Co-Director of the Harvard Sussex Program
