Dear Professor Meselson,

Thank you for your letter dated 2 February 1998. I am most pleased to learn that Mr Feakes will be continuing in his present position as the Harvard Sussex Program researcher in The Hague until the end of January 1999.

Since the Convention entered into force, the Secretariat has benefited from the support of the Harvard Sussex Program and I look forward to maintaining and continuing the relationship between the Harvard Sussex Program and the Secretariat.

Yours sincerely,

José M. Bustani
Director-General
