>   Dear Professor Meselson
>
>   As promised, I have enquired about the possibility of a UN briefing on
>   the draft convention. According to the Department of Public
>   Information, any UN briefing must be sponsored by a UN body or
>   delegation. You may with to explore one of the following options:
>
>   Option 1: UN briefing sponsored by the Committee on Non-governmental
>   Organizations - contact Ms. Haifa Mezoui (212-963-8652) or Ms.Michele
>   Federoff (212-963-8485).
>
>   Option 2: UN briefing sponsored by the Chairman of the Sixth
>   Committee, Ambassador Jargalsaikhany Enkhsaikhan (212-861-9460),
>   acting in that capacity until the 54th session of the General Assembly
>   starts in September 1999. He is personally interested in disarmament
>   and terrorism issues and is familiar both with the First and Sixth
>   Committee matters.
>
>   Option 3: UN briefing sponsored by interested delegation(s)
>
>   As you know, the Ad Hoc Committee established by GA Resolution 51/210
>   (Measures to eliminate international terrorism) will hold its third
>   session from 15 to 26 March 1999 to continue and hopefully complete
>   work on the Nuclear Terrorism Convention and start negotiations on an
>   international convention for the suppression of terrorist financing.
>   The work will continue in the framework of the Sixth Committee from 27
>   to 8 October 1999. It will be good if said briefing could be timed
>   with one of those meetings.
>
>   Here are my very informal suggestions. Hopefully, we will find a way
>   and the political will to address this very important question in the
>   near future. I regret this delay in contacting you, which was due to
>   my absence from headquarters for the last two weeks.
