Meara Keegan Zaheer
Editorial Assistant
International Security

by FAX to (617) 495-8963

Dear Ms Zaheer,

Attached please find my review of MS 1377, "Should the United States Use Nuclear Threats to Deter Biological and Chemical Weapons Attacks". I believe that after modest revision it merits publication in INTERNATIONAL SECURITY as a useful consideration of an important and current policy issue. My comments are listed on the attached sheets.

Sincerely,

A handwritten signature in cursive script that reads 'Matthew Meselson'. The signature is written in dark ink and is positioned below the word 'Sincerely,'.

Matthew Meselson
