**Dear Shirley,**

**Greetings from the world's worst correspondent. I do get a sporadic stream of news of you from visitors and expect to be brought up to date next week when I see Bob Mathews in Geneva. When you wrote nearly two years ago that "we go from one crisis to another", I had no idea how much more difficult the situation could become. Now we may have only a 5 minute resumed BWC Review Conference, rapidly increasing interest in "non-lethals", and anthrax mailers- -yet we must keep slogging.**

**With all good wishes,**

As ever,

*Matt*
