**Dear Eitan:**

I was delighted to learn that you have joined the faculty of The Hebrew University of Jerusalem and that you will also be giving lectures at Tel-Aviv. I am sure you know Shai Feldman, Director of the Jaffee Center, and may perhaps be in close communication with him. But if not, may I suggest that you ask Shai if he would be interested in publishing a shortened version of your paper on the CWC in the Middle East in the Jaffee Center journal *Strategic Assessment*. Even if your longer article has appeared in *Security Studies Journal*, an additional audience could be reached in *Strategic Assessment*.

With all good wishes from Barbara Ring and me,

**Matthew Meselson**
