Dear Steve,

Enclosed please find some documents regarding the draft convention we talked about at the Cambridge Scientific Club last week. These include ① an article from the current "Fletcher Forum" that includes the text of the draft convention and a short introduction; ② a draft legal commentary on the draft convention and ③ some of the treaties that we used as models in preparing our draft.

Hope you are able to come to future meetings of the club. Greatly enjoyed talking with you. All good wishes,  
Matthew
