Janet-

Thank you for this. I have selected several documents I think might assist Dr. Meselson and I have forwarded them to the Federal persons who must approve their conveyance. Dr. Meselson indicated in our conversation that he would be traveling to Geneva tomorrow night. If coordination on this end goes into tomorrow, will Dr. Meselson be in his office tomorrow or available via email?

Dear Sir,

Dr. Meselson asked me to send you the attached article, "Your Inbox, Mr. President." *Nature* (January 15, 2009). Dr. Meselson's contribution is on page 259, or the second page of the attached.

Sincerely,

Janet Montgomery
Assistant to Dr. Meselson
