

THE AMERICAN NATIONAL RED CROSS  
NATIONAL HEADQUARTERS  
WASHINGTON, D. C. 20006

September 9, 1969

Dear Miss Hiatt:

The paper by Clyde Buckingham on the subject Outlawing Poisonous Gases and Bacteriological Warfare, prepared August 22, 1957, was intended solely for internal use by the administrative staff of the American National Red Cross. It has never been published nor released to the public. We are unable to furnish you with a copy.

Sincerely,

*Clyde E. Buckingham*
