Thank you very much for your letter of December 27 and for the copy of ATD Report #68-52-50-7 CBE Factors, Monthly Survey #25.

I am writing to ask if there exists an English translation of a book abstracted on page 185 of the above ATD Report. The book is entitled, Supermutagens and is edited by S. Ya. Krayevoy. I would appreciate any suggestions you may have for obtaining an English translation of the book.

Sincerely yours,
