Mr. Mathew S. Meselson  
551 S. Hill  
Pasadena 5, California

Dear Mr. Meselson:

This letter is intended to make a matter of record your status as a charter regular member of the Los Angeles Branch, Federation of American Scientists. Charter membership dates from the Organization Meeting of 3 February 1955.

You will understand that continued membership is contingent upon your being a member in good standing of the national FAS, and upon any pertinent provisions of our Branch Constitution.

I hope to see you at our meetings, and know you will enjoy working with us in furthering the aims of the Federation.

Yours truly,

Frank B. Estabrook  
Recording Secretary
