Dear Matthew,

First, allow me to express my gratitude for having the opportunity to attend the conference at the Academy. I found the dialogue and reactions most interesting, not to mention the pleasant surroundings and excellent hospitality.

Second, with reference to the proposed paper on the Protocol, I have received an affirmative response and am looking forward to reading it. Please send it directly to me at the address below. If possible, I would appreciate receiving it within the next three weeks.

Hopefully you found some free time whilst working in Geneva. Whenever you happen to have a spare moment in the Washington area, do not hesitate to give a call.

With all good wishes, I remain

Yours sincerely,

Michael A. Guhin
