Dear Garret,

I am always on the lookout for old books on
chemical warfare but never found the one you sent,
which is interesting because of its description of
interwar protective equipment. It was very thought-
ful of you to send it and I am most grateful.

Come by and see me sometime. Warm regards.

As ever,

Matt

Dear Matt

I ran across this book in a
Used Book store and I thought it
would make a useful addition to
your reprint collection, if you
have not already seen it.
