16 Divinity Avenue
Cambridge, Massachusetts 02138

Dear Professor Meselson:

Thank you for sending me the Senate Foreign Relations Committee hearing on chemical and biological warfare. I am glad to have it and will read it on my vacation.

I have the United Nations report and have arranged for Congressman McCarthy who as you know is much interested in the subject, to write a review on it.

With best wishes,

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Hudson". The signature is fluid and cursive, written over the printed name and title.
