Dear Matt,

I was talking yesterday to Congressman Donald Fraser (of Minnesota), who is one of the Congressional Advisers to the Arms Control and Disarmament Agency in Washington. He was interested in getting some background material on CBW. I am arranging with my office in New York to send him a copy of the Secretary-General's report, but thought that it would be perhaps even more useful if you could send him some of the material you had which you had sent to some of the experts and others.

All the best.

Yours sincerely,

A handwritten signature in blue ink that reads "Bill".
