Dear Matthew,

I have got your e-mail. Ilona shall start
to work on the problems and we shall try to do what
is possible here.

Could I ask a favour from you? Somewhere in Baltimore there
is the Center (Depository, Bank or whatever), which deals with
human organs transplants (we were told it is even International
institution. Our fellows here at the Medical Institute
are trying to find :its correct name, and the adress.
Is it possible to help them?

Best regards to Jeanne,
Yours, Vladimir
