Dear Matthew,

Sergei and me have got your e-mails, and Sergei is sending
the invitation for you.

Thank you for your suggestion to bring something for my son.
If you have not too much of baggage, I would appreciate, if you
could bring a very simple, but a little bit heavy thing:
2,5 - 3 kg of chocolate candy bars (usual "Milky Way", M@M,
Three Musketeers etc.). Certainly, I shall pay you back for them.
They are just impossible to get here of a good quality, but having
been in the US
he knows appreciates them.

Looking forward meeting you here.

Yours, Vladimir.
