Dear Matthew,

Just had noticed in e-mail record your attempt to send
e-mail to me, but unfortunately it was lost during the delivery.
Could you resend it once more time?

Your,

Vladimir.

PS. Not very good news: Sergei was fired by Tretyakov from the
vice-president position, as well as the vice-rector on teaching
affairs- Tatyana Fedorovna (did you meet her?). So Sergei now
has his chair at Physics department only.
