Dear Matt,

Professor Rotblat has asked me to write to you regarding your paper Inspection of a Fissionable Material Cut-off. If it was written originally for the Venice Conference we would very much like to publish it in the Proceedings, but if it has been published elsewhere we would not do so.

Do you think we could possibly have a reply by cable as the Proceedings are now almost complete and this question is holding us up.

With very best wishes,

Prof J. Rotblat
Pugwash
London

Yours sincerely,

J. Irene

Cut-off paper is government document. Do not publish.
Do publish my Kew/BW paper.
