TO: The Secretary
FROM: PM - Richard Burt ^{PS}
SUBJECT: Your Interview This Afternoon with Gwertzman

Dean Fischer did not have an opportunity to use the guidance on the State/ACDA relationship at today's noon briefing. Gwertzman will almost certainly raise the subject. Attached is the guidance you approved.

Someone from INR yesterday told Gwertzman that we had new evidence on Soviet CBW use in Southeast Asia. In order not to preempt our strategy for securing the maximum impact from this issue, I recommend you not give Bernie anything on it at this time.
