Dear Matt -

I tried to reach you ^{by telephone}, and I know you phoned
from Colorado which I was sorry.

I have a deep concern about the ~~new~~ ~~set~~ in
Vietnam and the meaning this has for all of us and for
the world at large. ~~I have commented upon this in~~ I signed
a letter to the President last December and have heard but
have not become a prominent figure of petitions & letters.

Since I am concerned about the continuation of the war
itself, ~~with~~ I have some suggestions as to how it
should be conducted, i.e. ~~is~~ C-B war. It is
for this reason that I've hesitated to enter into this
debate at this time.

I've just received an letter from Selva Lewis telling me of
an opportunity he has created in the Boston Globe for a
column to be syndicated & has asked for an 800 word
~~short~~ article which I would ~~be~~ expect to prepare. ~~I~~
~~will~~

We become increasingly conscious of the President's responsibility and
the question of responsibility ~~is~~ in general, including ^{the} ~~responsibility~~ ^{those}
who would like to influence his judgments & actions. I don't
want to discharge the latter responsibility, is an important and
delicate matter, indeed.

I hope we can meet & talk about this sometime, soon
Sincerely,
James
