

August 21, 1969

Ambassador George Ignatieff  
2 Parc du Chateau Banquet  
Geneva, Switzerland

Dear Ambassador Ignatieff:

I enclose for your possible interest an article "Escalation  
of Chemical Warfare" from the current issue of the British  
magazine New Scientist.

It was a very great pleasure to speak with you in Geneva last  
July 29.

Sincerely yours,

Matthew Meselson
