Dear Matt:

Enclosed is a copy of the Goldblatt piece I told you about.

I will want to make some changes in my NAS speech before it is printed, but I thought it best to await the results of the House-Senate conference on the Defense Procurement bill. I will send the changes to you unless you wish otherwise.

Conversations at ACDA last week indicate things may go faster than we wished at Brookline. I assume you have seen the New York Times stories about Laird's position.

Best regards.

Sincerely,

George Bunn
Visiting Professor of Law
