November 13, 1969

Professor Matthew Meselson
American Academy of Arts and Sciences
280 Newton Street
Brookline Station
Boston, Massachusetts 02146

Dear Professor Meselson:

I am quite interested in the research on chemical and biological weapons and I am most grateful to you for sending me your conference report. This is an area of increasing concern and I have taken the liberty of noting your name for future contact.

I appreciate your thoughtfulness in keeping me informed on this subject.

Sincerely,

A handwritten signature in cursive script that reads "Mike Gravel". The signature is written in dark ink and is positioned above the printed name.

Mike Gravel
