Dear Dr. Meselson:

The November-December National Voter is still not in print, so I am sending you this edited copy of the CBW article to avoid further delay. I also enclose a copy of the letter I sent to Mr. Guhin today.

We are sending a copy of the article to Congressman Dellenback in answer to a request from his office.

Thank you for the Salk report you left with us. It will be very useful in our future CBW review. We are following the meetings of the House Subcommittee on National Security Policy that started this week, and we are getting additional material there.

We all enjoyed meeting you last month and were happy you were able to include a visit to the League offices in your Washington schedule.

Sincerely,

Marilyn Hopkins
