Dear Mr. Meselson,

This is just a word of  
congratulation on your victory on  
the first stage of your CBW  
campaign. There is, I think we  
agree, more that needs to be done;  
and, knowing you as I do, I  
cannot believe that you will come  
to a halt now.

What has been done is  
a great triumph, in which you  
deserve both congratulations and  
gratitude.

Yours,

Dick Baxter
