Prof. Matthew S. Meselson
Cambridge, Mass.

Dear Professor Meselson:

This clipping carries a wonderful story, and I rejoice for it. It shows that you devoted an enormous effort to this good project, and I am thankful for your contribution. While I wish the President's statement had gone further, I am glad for governmental change in the right direction, and I recognize that you played a strong role in this change. Please accept my hearty rejoicing for that.

Most sincerely yours,
