Dr. Joseph Neillands
Department of Biochemistry
University of California
Berkeley, California

Dear Joe,

Leo Rose at the Asian Survey sent me this copy of your manuscript along with an invitation to prepare an article on the other side of the question. I do not think I would be the best person to do this and have so replied to Mr. Rose.

From what you said in Boston this week, I gather you will be updating your article in the near future. I have made some comments in the margins that may be helpful in preparing the next version.

It was good to see you here. Best wishes,

Sincerely yours,

Matthew Meselson
