Dear Jack,

This is just a note to let you know that I sent a recommendation on your behalf to Arthur Fleming and was glad to do so. Without waiting for your permission, I have also passed your name on to a member of the NFC staff at the White House who might be looking for an assistant in the CBW area. When your plans become settled, I hope you will let me know so that we can keep in touch. I have accepted a couple of continuing responsibilities in the CBW field and would like to feel free to call on your help if need be sometime in future.

With warm regards,

Sincerely yours,

Matthew Meselson
