Dear Professor Meselson:

I am enclosing for your information a copy of a talk delivered at the Council on October 23, 1969 by Dr. Ivan L. Bennett, Jr., Director, New York University Medical Center, on the subject of "Some Aspects of Chemical and Biological Warfare."

You may find this interesting prior to coming to us.

Should you feel that we should invite Dr. Bennett to come to your meeting - he is not a member - therefore your invitation is required - we will be happy to do so.

Sincerely yours,

Zygmunt Nagorski, Jr.
