Dear Frank,

It was good talking with you on the telephone today. I look forward to reading the UN human rights paper. For your interest, I enclose the following items.

- 1) A copy of Army Training Circular TC3-16.
- 2) An up-dated bibliography on CS.
- 3) A paper by a graduate student, Mr. Robert Cook, on the escalation of chemical warfare in World War I.

I also enclose a copy of a paper I have written recently "What Policy for Toxins?".

With best regards,

Sincerely yours,

Matthew Meselson
