Dear Matt:

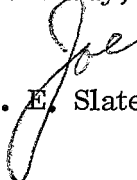

I have today authorized reimbursement of \$1,000 for your travel and related expenses in connection with our chemical and biological warfare project. A check will be sent to you from LaJolla at an early date.

I am very sorry that we have been unable to get together recently. Appreciate very much receiving the splendid reports.

Hope I will be able to attend the next session of the Carnegie Endowment.

Warmest personal regards,

Cordially,

J. E. Slater
