Dr. Hugh D. Crone, Head
Department of Defence
Materials Research Laboratories
P.O. Box 50
Maribyrnong, Victoria
Ascot Vale, Vic 3032 Australia

Dear Hugh:

I wonder if you would be so kind as to send me a copy of your 1983 report entitled 'Response of Rats to Cutaneous Dosing with Trichothecene Mycotoxins' as well as any other available reports you or your colleagues have prepared since your first two papers dealing with pollen and uric acid content respectively.

I enclose a number of items, some of which you will have already seen.

Sincerely,

Matthew Meselson
