MASSACHUSETTS. 02167. USA.

Dear Dr Guillemin,

Your letter on "Yellow Rain" in Nature of the 28 March 1985 cites as reference 5 a presentation by you to the American Anthropological Association Meeting.

I would be interested to read a copy of your presentation, and wonder if you would be so kind as to send me a copy?

Yours faithfully,

(H.D. CRONE, M.A., Ph.D.)
