To: Matthew Meselson msm@wjh.harvard.edu

Dear Dr. Meselson,

Glad to see that Henry is still doing his thing. He certainly is a grand old man. One of the few honest State Department docs that I have ever met. I haven't been back in Thailand for a few years now.

Monday lunch would be fine. Please provide time and place and I will be there. Will provide comments on your chapter ASAP. I may have to be briefer than normal since time is rather short.

Steve
