UNITED KINGDOM DELEGATION TO THE  
18 NATION DISARMAMENT CONFERENCE

37-39 rue de Vermont, 1202 GENEVA

Telephone: 34.38.00, 33.23.85

7 April, 1970

*Dear Professor Meselson*

Lord Chalfont has asked me to thank you for the most interesting press cuttings and for the pamphlet on the hearings before the Subcommittee on National Security Policy and Scientific Developments, with regard to chemical and biological warfare, which you sent him.

*Yours sincerely*

*Jacqueline Miéville*

(Mrs. J. M. Miéville)  
Personal Assistant to  
Lord Chalfont

Professor Matthew Meselson,  
Harvard University  
Biological Laboratories,  
16 Divinity Avenue,  
Cambridge, Mass.
