

June 12, 1970

Miss Heidi Wolf
Legislative Assistant to
Senator Goodell
New Senate Office Building Room 3331
Washington, D.C.

Dear Heidi,

Somehow I managed to take away the enclosed copy of the letter you showed me. I also enclose copies of the House record concerning research and development budget items for fiscal '71. It was great seeing you yesterday. Good luck with the amendment.

As ever,

Matthew Meselson
