Mr. Ross Hamachek
Legislative Assistant to
Senator McIntyre
Senate Office Building Room 405
Washington, D.C.

Dear Ross,

It was a pleasure to talk with you and Miss Staglin in your office yesterday. For your interest, I enclose the May issue of Scientific American magazine which contains an article of mine on chemical and biological weapons. Don't hesitate to let me know if there is anything that I can do to be of assistance.

Sincerely yours,

Matthew Meselson
